

Class Management and Social Networking

All of these resources are free and the majority do not require you to download any software, it is all done through your web browser (there are a few exceptions). Click on the pictures for links to the sites. You can also share your resources on our [forum](#).

Class Management Tools

These websites are free online class management tools that can be used both by the teacher and the students. Features include a gradebook, attendance log, quiz maker, online lessons, downloadable homework assignments, calendar, flashcards, and much more.

Private Social Networks

Create private social communities for your class, school, etc. These sites are customizable and offer community feeds, discussions, photo galleries, file sharing, project management, class pages, polls, and more.

Sports Team Management Tool

Team Cowboy is a free sports team management tool that can be used for your schools athletic teams. It includes a team roster, event schedule, RSVP to an event tool, photo and video albums, team store, message board, team surveys, payment tracker, and email reminders.
