

Communication and Collaboration Applications

All of these resources are free and the majority do not require you to download any software, it is all done through your web browser (there are a few exceptions). Click on the pictures for links to the sites. You can also share your resources on our [forum](#).

Collaboration

These applications allow you to have online group conversations with video. In addition, you can share files/desktop, use a white board and much more.

Video Chat

Chat online with multiple people, record interviews, and more (ooVoo is a downloadable program).

Podcast/Audio Editors

Free software programs for creating podcasts or editing audio files. Remix audio clips, apply sound effects, and record your own voice (Audacity is a downloadable file).

Teleprompters

These programs help you create your podcasts. Easier than reading a printed script.

Online Teleprompter

Online Surveys and Polls

These sites allow you to take quick polls or longer surveys and post them to your website or email them.
