

Our Plans for the Future

- Professionally re-create the website in order to add more complex tools and increase aesthetics
- Make "Adopt a Teacher" and "Adopt a Program" live
- Film examples of state conference sessions (ie. CAHPERD)
- Professionally re-shoot Quality Physical Education Lesson videos
- Professionally re-shoot Effective Teaching Strategy videos
- Professionally re-shoot Task Sheet and Fitness Station pictures with experts from the fitness field
- Add instructional ballroom dance videos
- Add instructional folk and line dance videos
- Re-shoot Poco Loco videos
- Film an Adventure Race
- Film examples of Interval Running Games
- Interview and film experts in the physical education field
- Interview and film professional athletes on their fitness routines (ie. Yoga, Cardio-Kickboxing, etc.)
- Film examples of Start/Stop signals
- Film "What People are Saying about PE," highlighting exemplary teachers and programs
- Add research article database that is separated by categories
- Expand protocols on "Effective Teaching Strategies" page to include descriptions and examples
- Create examples of different types of Rubrics
- Create a simplified version of the Spark book by John Ratey
- Create drill cards for different sports
- Add information on curricular models
