

Web Applications for Teachers

All of these resources are free and the majority do not require you to download any software, it is all done through your web browser (there are a few exceptions). Click on the pictures for links to the sites. You can also share your resources on our [forum](#).

Great Websites on Technology

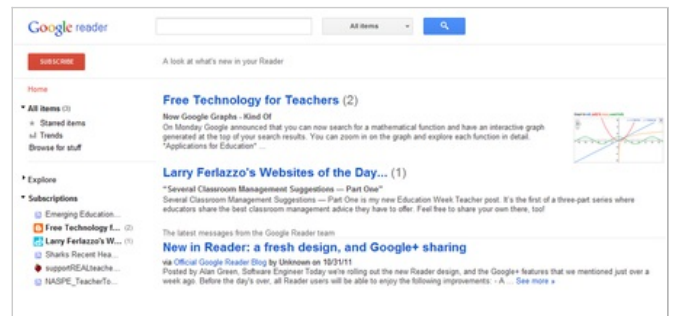

RSS Readers

RSS Readers inform you when a new article is posted on a website that you subscribe to. You can either read the post from within your reader or follow the link provided to the website it came from. It is a quick and easy way to stay informed.

Example of a RSS Reader

Subscribe to a website by adding its URL or by finding the RSS Feed button on their site (see below).
