Aurora Central High School
Aurora, Colorado
• **Barriers:**
  
  – Colorado is probably the most locally controlled State in the country. (There is NO requirement for PE)
  – Aurora Public Schools combined their graduation requirement for art, music and physical education last year.
  – The economy, high stakes State Assessment scores, and the remediation rate of Higher-Ed students were cited as reasons for cuts.
  – Each PE department at the 4 high schools in A.P.S. were cut in half.
Our Goals

• We hope to:
  – Raise the Awareness of the Physical Education program
  – Raise the Awareness of the Obesity Epidemic
  – Promote different modes of Lifelong / Functional Fitness
Methods of Implementation

• Complete paperwork to reserve the facility.

• Colorado Governor’s Council for Physical Fitness
  – The Council’s mission is to empower lifestyle change in citizens of all ages and abilities through promoting and sponsoring physical activities, and to act as a liaison for the Governor on fitness-related issues.
  – Colorado Sports Organization (Member of CGCPF)
    • The CSO is committed to building an active network of Colorado sports, fitness and health & wellness providers and professionals, with the goal of developing innovative ways to assist these providers in gaining exposure and success through the development of new resources and relationships within the Colorado community.

• Network of Fitness Professionals
Network with Professionals
