2. Humerous

17. Ulna

The diagram shows a human arm and hand skeleton. The humerus is at the top right, connected to the radius and ulna. The radius is on the left side of the forearm, and the ulna is on the right side. The hand bones, including the metacarpals and phalanges, are shown at the bottom left. The patella is shown at the bottom right, connected to the femur. The labels are in blue boxes with white text.
